Become a
member
of SAERA

SAERA is an association which provides a community for academics and researchers in the field of education.

Conferences

SAERA hosts a conference annually. Click on the icon for further information on this year's conference.

SAERA Journal

The SAERA Journal of Education is an interdisciplinary, peer-reviewed, open access publication of original research and writing on education.

Special Interest
Groups

The purpose of SAERA's Special Interest Groups is to advance research specializations on topics of shared interest. These may include problematics, theory and practice of education.

Early Career
Researchers

SAERA has taken several initiatives to support early career scholars. Join our ECR [Facebook group](#) or click on the icon to find out more.
